Payment

\$50.00 non-refundable deposit, applied to your first class payment, is required to secure your student's place. Your annual registration fee is due on the first day of class.

Parents can choose one of the following payment plans: Cash, Check, VISA, MasterCard or our 4-Month Payment Plan:

-  25% due on Final Registration
-  25% due October 1st + \$5.00 per class finance charge
-  25% due November 1st + \$5.00 per class finance charge
-  25% due December 1st + \$5.00 per class finance charge

All payments must be made prior to the end of the semester. For students enrolled in the 2-semester courses, the class fees reflect the entire year and are due and payable in full prior by the end of the FIRST semester. Extended payment arrangements are available for all Advanced Math Classes or with special approval ONLY.

If a student withdraws before the second class, they will receive a refund of tuition less the deposit collected.

No refunds will be issued after the second class. Should you choose the 4-payment option and withdraw after the 2nd class, the balance of the class fees will become due immediately.

There is a \$25 returned check fee for checks returned by our bank for any reason.

Student Registration Fee

There is a \$30 per year student registration fee for the first student, plus \$20 for each additional student from the same family. This fee is due on the first day of class.
